

Netball Tournaments

During the Autumn and Spring term the netball team which is: me, Amelia W, Amelia C, Maddy, Sophie, Helen and Issy had been training really hard as we had our first netball area finals tournament (in East Grinstead) coming up! We had played competitive matches and attended after school club run by Lindsey Worger (Amelia's mum)

Amazingly the team made it to our locality finals as we had won matches against the schools we played. The scores were 8-1, 9-4, 18-0 and 7-6! Unfortunately it was a disappointing final as we came 5th but if you look at the overall result this was out a total of 30 schools who had taken part to start with and the best result Turners Hill School has seen for a long time!

Maisie West (last year's Year 6)
