

Tennis Club Report

Brandon Woods – Willow Class (Year 6)

Tennis Club is really fun. It takes place all year round on Fridays after school for Year 3s, 4s, 5s and 6s. We play matches against each other as well as playing games to help improve our skills. James the coach is really nice and good at teaching. I've got better at different tennis strokes and moving quickly on the court. You also get the chance to go and play in tournaments against other schools.
