

'Stewards Of The Earth, Eager to Learn, Faithful To God'

Welcome, from the Headteacher.....

I trust that this newsletter finds you all well.

It seems like the term is flying by and that all the exciting events that take place as we come towards the end of the academic year are well and truly upon us. On that note, please look through the diary dates as there are several key dates for you to be aware of.

One of the key dates for the academic year is 'reports day'. You will be receiving your child/children's end of year report on Wednesday 12th July. This report will give you a clear picture of your child/children's academic attainment, the progress they have made and the effort that they have applied to each curriculum area throughout the year. If you have any questions regarding the report, please contact the school office to arrange a meeting with your child's class teacher who will happily discuss any points with you.

Along with the report, you will also be receiving confirmation of your child/children's class for the 2017/2018 academic year. Your child will then have the chance to sample their new class, and meet their teacher, on the morning of Tuesday 18th July.

For parents with children in Reception, Year 2 and Year 6, you will also be receiving end of Key Stage assessment data - this will inform you of how your child has done when benchmarked against national expectations. However, data only reflects one aspect of your child and the wonderful contributions they make to the school - the comments that your child's class teacher writes on their report will give a far more detailed picture of how your child is doing and their qualities.

Best wishes,

Ben Turney

INSET DAYS – There will be two Inset Days at the beginning of the new academic year – Monday 4th and Tuesday 5th September 2017 (return to school Wednesday 6th September 2017)

Prayer (by Elliot Head)

*Dear God, sometimes things are very hard to do or achieve,
Sometimes things go wrong and it's really hard to keep going.
Please give these people some inner strength to not give up on their goals
Or to put right what has gone wrong for them.
To persevere and have that sense of achievement
When they have accomplished what they set out to do.*

STAR PUPIL AWARDS

Recently, the following Star Pupil Certificates have been awarded to:

Jessica Lynch for her enthusiastic attitude, big smile and great sense of humour.

Hugo Pearce for always being willing to 'have a go' at new activities and do his best with tasks he is given.

Naomi Head for always having a positive attitude and persevering in her English work.

Louisa Bristow for persevering and gaining confidence in Maths when using written methods.

Thomas Howells for great focus, working independently and persevering with your writing! Super job!

Max Pamplin for having the confidence in rehearsals to play his character, Zazu, with expression. He has worked diligently to create a fun and exciting character.

Lola Parker for working hard to develop her skills in all areas of the curriculum, showing confidence, independence and perseverance.

Liam Parker for continuously having a positive and 'can do' attitude to work and always showing courage when faced with new challenges.

Oliviya Altun for pushing herself in all areas of learning this week, never giving up and always smiling!

Christopher Bouck-Standen for showing perseverance at the tennis tournament and showing great improvement with every match.

Oliver Worger for perseverance in his writing and becoming more confident in himself!

Year 6 for their positive attitude when tackling challenges.

Nathaniel Kelly for showing perseverance in learning to do up buttons and get changed for PE independently.

Amellia Oates for persevering with her maths finding halves, quarters and three quarters of amounts! Well done!

Zachary Sturgess for growing in confidence in Maths and having the courage to have a go when he finds it challenging.

Elliot Head for creativity! Your home learning to show perseverance is amazing!

Hermoine Jefferies for being a good friend. For always trying her best and having confidence in her ability.

WORTH MATHS CHALLENGE by Emily Woodman (Year 6)

Last Thursday, a team of four 'mathematicians', Sophie Chapman, Jemima Ramsey-Hibberd, Mary and I, went to Worth School to compete in a series of maths challenges against other teams from the area. When we arrived, we were taken through the grounds to a big building where the competition would be held. We participated in five rounds (shuttle, relay, crossword, group and speed), each of which had an element of speed and logic. We began with the group round, where

the teachers had to leave the room and we had to complete fifteen questions without any help from the teachers. Following this, we swapped adults and continued answering questions in the other rounds. In one round, we managed to gain bonus points when nobody else managed to! In the end, we managed to come 2nd place and we beat Worth! We received prize bags and a certificate each, and came back feeling very happy and proud. It was an amazing experience and we had lots of fun!

'Stewards Of The Earth, Eager to Learn, Faithful To God'

SPORTS DAY

Sports Day! We would like to invite you to come along and support the children with lots of enthusiasm and your loudest cheers on **Monday 3rd July 2017**. If you are able to join your child, we will be starting with a picnic lunch on the field at 12.15pm. Chartwells dinners will be served as usual and your child will join you afterwards or you are welcome to sit with your child in the school hall. Sports afternoon begins at approximately 1.30pm and finish at 3.15pm (ish). Champion Chanzige, a charity we support, will be selling refreshments and candles and crafts, so please bring your pennies along!

EGGSFEST

On Thursday 29th June 2017, Locality Schools from the East Grinstead area came together for an outdoor musical extravaganza! Featuring Sackville School orchestra, big band and samba band plus a choir of 500+ children, this festival style performance is one to remember! Turners Hill School choir attended this event and performed three songs along with other primary schools. The children had a fantastic time and were in great voice! Thank you to all who supported this event.

CHARTWELLS SCHOOL DINNERS

A message from Chartwells: Wednesday's school dinner is 100% roast dinner and Friday's school dinner is 100% fish and chips – there is NO other option.

CLASS ASSEMBLIES
