I am pleased to inform you of the result of our election for parent governors.

HARVEST

I was delighted to see that so many parents and friends were able to support us in celebrating God's gifts at this time of year by coming along to the Harvest Service at St Leonard's Church.

We were overwhelmed with everybody's kind donations of food; our Harvest display was bursting at the seams! All of the food will now be sent to Crawley Open House to support families and individuals in the local community.

As is traditional at Turners Hill during Harvest time, the children were involved in making soups at school. Each class used a selection of vegetables that were grown within the school gardens to make a batch of soup for their class to sample. Each child was given a taste of their class soup along with some bread. We feel it is important that the children get a practical example of the planting, nurturing, harvesting and cooking cycle that goes on each day in order to ensure we have food on our plates. This also supports the school continuing work on stewardship; a value we hold in very high regard.
