

Gymnastics Club is before school on a Thursday. We work towards badges for different skills. The first badge is level one. I'm on level 5. The two coaches Georgie and Stacy assess us on the last day of each half term. We do skills such as handstands, cartwheels and one handed cartwheels. I find these all quite easy but I can't do back walkovers yet. I practiced lots of front walkovers in the summer holidays in my garden and I can do these now.

Earlier in the year I took part in a competition to represent the school along with five others. First we had to warm up by running around, then do stretches and finally we had to compete against other schools. Medals were given out. It was really good. We had to do a floor routine and use vaults. It's a really fun sport to do. I love it! And I really want to be a contortionist!
