

Tag rugby tournament report

On the 12th of May 2017, Twenty year 5 and 6s went to a Tag rugby tournament. On the day before, we had to try out to see what team we would be on, tigers or lions. To be guaranteed a place on the team you would need to get two ticks against your name, I got 4!!! So that made me on the lions...

We arrived at East Grinstead rugby club to see we were playing straight away. The whistle blew and Matthew caught the ball, sprinting through the defensive line stepping in and out he scored a tri. After a match, which we drew. We then played against Halfords Park, the game began and Finlay Carrick ran up the left wing going past the defensive line to score an amazing tri. Time to hear the results, we won four and drew one!
