

## **Behaviour Policy 2020 Covid-19 Addendum**

At Turners Hill CofE Primary School we aim to maintain a secure, caring and stimulating environment in which children are encouraged to have respect for themselves and each other. Whilst expectations in the behaviour policy remain pertinent. It is necessary, in light of the Covid-19 pandemic, to make some adjustments for the safety of all pupils and staff. These adjustments are set out below:

### **Arrivals, Departures and Moving round the school.**

Children will enter school through the front entrance. Children will enter individually and will go straight to their designated classroom, keeping a 2m distance from any other individual. There will be markers on the floors to support children with social distancing.

At their designated home time, children will leave school from the playground at an allotted time. They will leave one at a time when their parent has come to collect them, again keeping their distance.

Movement around the school will be limited. When the children leave their classroom to go outside for break, lunch or outdoor learning, they will follow the markers on the floor to ensure they stay 2m from peers and adults. Children will follow an adult from their group on their designated route.

### **Handwashing and Hygiene**

Children will be expected to follow all handwashing and hygiene routines while in school. Children will wash hands when entering school, before and after eating and at regular intervals during the day.

We ask children to follow the catch it, bin it, kill it, mantra when in school, if they need to cough or sneeze, they should use a tissue or crook of their arm. Children will be reminded not to touch their face, mouth, nose or eyes while at school.

Should a child refuse to follow these routines, they may be asked not to attend until they can follow this guidance.

### **Social Distancing**

Children who are old enough will be expected to socially distance from their peers and adults in school and on the playground/field at all times. Year 1 and 6 will have their own table spaced apart. When children enter their classroom, they will be expected to go straight to their table.

Children will put their hand up if they need an adult's support, they will not get out of their seats.

Should a child refuse to follow these routines, they may be asked not to attend until they can follow this guidance.

We understand socially distancing may be more difficult for younger children, they will be encouraged wherever possible to keep a distance from peers and adults, however, we understand this may not always be possible.

## **Toilets**

Each class will have their own toilets to use- designated cubicles for infant classes and junior toilets for Y6. These will be sign posted. Children will be encouraged to use the toilets one at a time (this may not always be possible with nursery and reception children). When a child has finished in the toilet they must wash their hands.

## **Break and Lunch times**

Children will have a designated place to play during break and lunch times. Any equipment used must be cleaned after use.

Children will be expected to remain socially distant from both peers and adults during play and break times. Children must stay in their designated area at all times.

Lunch will be eaten in their classrooms. Children will eat at their table or in their own space. They will not get out of their seats.

## **Rewards**

Teachers and Teaching Assistants welcome opportunities to praise individuals for good work, attitude or good behaviour, and show recognition, if these are brought to their attention. Above all praise and encouragement should be used as much as possible. Walking through school to show their work to the Head Teacher or other adult for acknowledgement and praise during this time will not be permitted.

## **Positive Handling & Restraint**

There can be times when a pupil's behaviour requires staff physical support to ensure the pupils' own safety, the safety of other pupils and staff, or that property is not seriously damaged. This can require the use of physical interventions. At Turners Hill CofE Primary School we use Team teach to do this.

In the case of a child being at risk, putting others at risk or damaging property the child's parents or carers will be called and asked to pick up their child immediately. The situation will then be reviewed by the Headteacher and a decision of whether the onsite education offer will be withdrawn in favour of the online/virtual offer if this is deemed safer for all pupils and staff.

Where a child may need very close contact it is imperative that parents know that the use of PPE where appropriate WILL be used to help avoid cross contamination or any potential virus spread.

## **Pupil's working from home.**

If interacting with other pupils or staff online, students should always be kind and respectful to each other and respectful and obedient to staff, remembering at all times that that staff are not 'friends' with, or peers to, pupils.

Students should never attempt to contact staff via social media or make comments about staff on social media platforms. Any inappropriate comments to staff online, via email, or any other platform

will be taken very seriously and could result in a referral to the police. This is also the case of for any online bullying towards other pupils or peer-on-peer abuse that is disclosed to the school during this time.
